Industrial Placement Agreement (UOW)

This Agreement is required for any Industrial Placement undertaken as part of a course within the University of Westminster (UOW).

The Student must sign this agreement to initiate this approved work Industrial Placement Agreement. This agreement is required where the work placement is directly related to the course of study being undertaken by the Student.

The purpose of the work placement is for Students to be able to participate in formal assessment processes. It enables Students to observe professionals within the field and gather information to support their learning and complete tasks on the job. It allows the Students to be in an environment set up to meet the requirements of individual units of competency within the accredited programme of study.

1. **Student Responsibilities**
   I. **Before the Placement**

a) Student is required to pass at least a minimum of 100 credits in the 2nd year and 120 credits in 1st year as stipulated by University of Westminster, UK and confirmed by the exam board for year out.

b) Student is required to complete an internship period of *48* weeks and would earn 120 credits upon the successful completion of the Industrial Placement year.

c) The Student should be aware of the conditions of Industrial Placement Agreement.

d) Provide the accurate and timely information where requested by the employer and institute prior to commencement of the Industrial Placement.

e) CVs shall be forwarded to the organizations of your preference in the event the Student is considered for multiple vacancies or positions, once a particular job offer is accepted, the Student is obligated to enter into a contract for that position. The Student is thereafter prohibited from accepting any subsequent offers. Furthermore, the Student must formally withdraw from the job-seeking process and notify any other companies.

f) The Student shall notify the Industrial Placement coordinators once you have been signed an agreement with the particular company.

g) The Student shall understand the all employment conditions of the contract signed with employer before and while being on the Industrial Placement.

h) Submission of documents prior to Industrial Placement include following:

   i. CV – before the end of November prior to Industrial Placement Year.
   ii. Industrial Placement Agreement- Before end of March prior to Industrial

Placement Year

iii. Scanned document of your Signed Employment Contract or/and Offer letter (on being offered a job with the Google form within a week of signing the Employment Contract or/and Offer letter)

II. During the Industrial Placement

a) The Student shall submit the following assessments during his/her Industrial Placement year as per the calendar months specified below in order to achieve the 120 credits for Industrial Placement

Submissions:

- Placement Report (1) – submitted on the blackboard – before end of November
- Placement Report (2) – submitted on blackboard – before the end of January
- Placement Report (3) – submitted on blackboard – before the end of March
- Final Placement Report (4) – submitted on blackboard – before end of May
- Record Book (completed and signed by work supervisor) – before the Industrial Placement visit
- Service Letter from the company – before the end of August

b) Monitoring:

i. The Student is strictly prohibited to change the organization without the prior written approval of the Industrial Placement Committee as mentioned in clause III. (b).

ii. An academic staff member (academic tutor) and/or Industrial Placement coordinator shall oversee and evaluate your internship by conducting visits to your workplace, either in person or via virtual video call. Additionally, they may assess your progress through other means, such as email correspondence and telephone calls, in consultation with your work supervisor upon the prior notice of the IIT.

iii. During your Industrial Placement, you are required to notify the Industrial Placement Coordinators, in writing, of the following:

- Any changes in your working circumstances, hours, changes in terms of contract.
- Change of personal and/or supervisor details (email, telephone, address).
- Any leave taken that exceeds 3 continuous days.
- Leaving the country subject to the approval of the Employer and IIT.
- Any other issue or problem pertaining to Industrial Placement. This must be informed to IIT within 2 to 3 days of occurrence.

III. Non-eligibility for the 120 Industrial Placement Credits and the 4- year degree certificate:

a) Any Student who signs an agreement but fails to accept the position will be disqualified from continuing with the Industrial Placement programme.

b) In the event a Student terminates their Employment Contract without obtaining approval of the Institute, he/she will be disqualified from continuing in the Industrial Placement

programme and clauses III. (e), III. (f) and IV. (a) will be strictly applicable.

c) Industrial Placement Year fees shall be paid in full on or before the 15th of October in the following academic year to be awarded 120 Industrial Placement credits.

d) Early termination should be:

   i. If the company terminates the Student during the Industrial Placement period, the Student should promptly notify the Industrial Placement Team via the given Industrial Placement Email address (placement@iit.ac.lk).
   ii. Students are not permitted to terminate the Industrial Placement Agreement at their sole discretion.
   iii. In the event of unavoidable circumstances that prompt the Student to terminate the Industrial Placement Agreement, the Student must notify the IIT Industrial Placement Team in writing at least one month in advance Clause III. (g) will apply.
   iv. In exceptional circumstances, IIT reserves the discretion to consider requests for terminating the Industrial Placement Agreement.

e) In the event, if the Student fails to complete 48 weeks of monitored work experience and/or neglect to submit all required assessments as outlined in point II(a) above, they will not be eligible for the 120 Industrial Placement credits and will be unable to complete the 4-year degree programme.

f) Refunds of Industrial Placement Year fees shall not be issued if a Student:
   i. Terminates their internship contract early without the written approval of the Industrial Placement Team (subject to the conditions outlined in point III. (b) above).
   ii. Is dismissed from the internship due to disciplinary action.
   iii. Fails to successfully complete the Industrial Placement by meeting the requirements specified in point II. (a) above.

g) In exceptional circumstances, 50% of the Industrial Placement Year fee will be refunded if the full payment has been made. Otherwise, the Student should pay the said amount before commencing the final Year. This will be applicable only if the request is made within the first 6 months of the Industrial Placement Year.

h) Any request made after the first 6 months refund will not be eligible for a refund. If the Industrial Placement fee has not been paid, the Student must make the full payment before commencing the final Year of the degree programme.

IV. Industrial Placement Regulation Violations

a) If any Student violates terms of the **Employment Contract and/or Industrial Placement Agreement**, a disciplinary panel will review the incident. The panel's decision may be to uphold or partially uphold or dismiss the cause. The final decision will be notified to the Student via the IIT Student email within 25 working days.

will be notified to the Student via the IIT Student email within 25 working days.

Student Declaration

I have read and understood the above regulations and undertake to accept them. I understand that failure to fulfill any of the above-mentioned terms and conditions would result in my not being awarded the 120 Industrial Placement credits and the completion of the 4-year degree programme.
